### Making it easy for you...

View your images and place your order in-studio or on-line.

#### The simplest way for big families...

Just purchase a pre-paid on-line Gift Card, the family can share it and they can all take advantage of the bulk price. The orders can be placed separately. You won't have to collect and compile orders, and you won't have to worry about one person holding up the whole order.

If you prefer, we can issue separate cards for family members in the dollar amount you choose. They can order their own photos on-line, and pay for any extras themselves.

Head Swap (when possible) ...\$25 each  
Cardboard Folders 4x5, 5x7, 8x10 ...\$ 4 each
